ELIGIBILITY AND EFFECTIVE DATE PROVISIONS

Who is eligible for this insurance?

All Active Full-Time Employees of the Policyholder working in the United States of America who are Actively at Work for the Policyholder and who have completed the Waiting Period are eligible for the insurance. A full-time Employee is one who regularly works a minimum of 40 hours per week for the Policyholder. Part-time, seasonal and temporary Employees of the Policyholder are not eligible.

The Waiting Period is shown in the Schedule of Benefits.

00001

When does Your Noncontributory insurance become effective?

If You are an eligible Employee, Your Noncontributory coverage under the Policy will become effective on the later of the Policy effective date or the first of the month that falls on or next follows completion of the Waiting Period, if any, shown in the Schedule of Benefits, provided You are Actively at Work on that day.

If You waive all or a portion of Your Noncontributory coverage and choose to enroll at a later date, You are considered a late applicant and must furnish Evidence of Insurability satisfactory to Us before coverage can become effective. Coverage will become effective on the date We determine that the Evidence of Insurability is satisfactory and We provide written notice of approval.

You must be Actively at Work for coverage under the Policy to become effective.

Noncontributory means the Policyholder pays 100% of the premium for this insurance.

00002

If You are not Actively at Work, when does coverage become effective?

If You are absent from Active Work on the date Your coverage would otherwise become effective; and Your absence is caused by an Injury, illness or layoff,

Your effective date for any initial coverage or increased coverage will be deferred until the first day You return to Active Work. However, You will be considered Actively at Work on any day that is not Your regularly scheduled work day (including but not limited to a weekend, vacation or holiday) if You were Actively at Work on the immediately preceding scheduled work day and You were:

1. not Hospital Confined; or
2. Disabled due to an Injury or Sickness.

00008

Changes to Your coverage

A change in Your coverage may occur if:

1. There is a Policy change; or
2. You enter another class and become eligible for a change in benefits.

If You are eligible for additional coverage due to a Policy change, the additional coverage will be effective on the date the Policy change is effective, as requested by the Policyholder and agreed upon by Us.

Additional coverage for reasons other than a Policy change will be effective the first of the month following the later of:

1. The date You enroll for the additional coverage;
2. The date You become eligible for the additional coverage, if enrollment is not required;
3. The date We approve Your coverage if Evidence of Insurability is required.

In order for Your additional coverage to begin, You must be Actively at Work.

Any decrease in coverage will take effect immediately.

00009

Who pays for Your coverage?

The Policyholder pays the entire cost of Your coverage.

00010

What happens if We are replacing an existing Policy?

Effect on Actively at Work requirement

If You were insured under the Prior Policy on the day before the Policy Effective Date, You may be covered by the Policy even if You do not satisfy the Actively at Work requirement as stated in the When does insurance become effective? provision and You would otherwise be eligible to become insured under the Policy, We will provide limited coverage under this Plan. Coverage under this provision will begin on the Policy effective date and will continue until the earliest of:

1. The end of the month following the date You become Actively at Work;
2. The end of any period of continuance or extension provided under the Prior Policy; or
3. The date coverage would otherwise end, according to the provisions of the Policy.

Your coverage under this provision is subject to payment of premium.

Effect on Benefits

If You do not satisfy the Actively at Work requirement, You may still be eligible for benefits under the Policy as follows:

The benefits payable under the Policy will be the benefits which would have been payable under the terms of the Prior Policy if it had remained in force; and the benefits payable under the Policy will be reduced by any benefits paid under the Prior Policy for the same Disability for which the prior carrier is liable.

The **Prior Policy** is the group disability insurance policy issued to the Policyholder whose coverage terminated immediately prior to the Policy Effective Date.

We will require proof that You were insured under the Prior Policy.

00012

Eligibility after You Terminate Employment

If Your coverage ends due to termination of employment, You must meet all the requirements of a new Employee if You are rehired at a later date.

00013

SHORT TERM DISABILITY BENEFITS

How do We define Disability?

Disability or **Disabled** means that You satisfy the definition of either Total Disability or Partial Disability and You are receiving Appropriate and Regular Care for Your condition from a Doctor.

Unless periods of Disability are separated by Your return to Active Work for at least 14 consecutive days, successive periods of Disability resulting from injuries received in any one Accident or from any one Sickness or related Sicknesses will be considered one period of Disability.

00014

How do We define Total Disability?

Total Disability or **Totally Disabled** means that due to Sickness or Injury You are continuously unable to perform the Material and Substantial Duties of Your Regular Occupation, and Your Disability Earnings, if any, are less than 20% of Your pre-disability Weekly Earnings.

00015

How do We define Partial Disability?

Partial Disability or **Partially Disabled** means that:

1. During the Elimination Period You are able to perform some but not all of the Material & Substantial Duties of Your Regular Occupation; and
2. After the Elimination Period, due to Injury or Sickness, You are able to perform some but not all of the Material and Substantial Duties of Your Regular Occupation, and Your Disability Earnings, if any, are at least 20% but less than or equal to 80% of Your pre-disability Weekly Earnings.

You will no longer be considered Partially Disabled when You are able to increase Your current earnings by increasing the number of hours You work or the number of duties You perform in Your Regular Occupation but You do not do so.

00017

Loss of Professional License or Certification

If You require a professional license or certification for Your occupation, loss of that professional license or certification does not in and of itself constitute Disability.

00019

What is the Elimination Period and how is it satisfied?

The Elimination Period is a period of continuous Disability which must be satisfied before You are eligible to receive benefits from Us. It is shown in the Schedule of Benefits and begins on Your Date of Disability.

If You temporarily recover and return to work, We will treat Your Disability as continuous if You return to work for a period of less than or equal to one-half the Elimination Period rounded up to the next whole number, not to exceed 14 days. The days that You are not Disabled will not count toward Your Elimination Period.

If You return to work for a period greater than one-half the Elimination Period, or 14 days, whichever is less, and become Disabled again, You will have to begin a new Elimination Period.

00020

Can You satisfy Your Elimination Period if You are working?

You can satisfy Your Elimination Period if You are working, provided You meet the definition of Disability.

00021

What Disability Benefit are You eligible to receive?

If You are Disabled and receiving Appropriate and Regular Care for Your condition from a Doctor, You are eligible to receive one of the following at any given time:

1. an STD Weekly Benefit; or
2. a Work Incentive Benefit.

While You are Disabled, You might be eligible to receive one or the other of the above, but You cannot receive more than one of these benefits at the same time.

00022

What is Your STD Weekly Benefit and how is it calculated?

Your STD Weekly Benefit will be based on Your Weekly Earnings as reported to Us by Your Employer and for which premium has been paid.

An STD Weekly Benefit will be payable after the end of the Elimination Period if You are Disabled.

We will calculate Your Gross STD Weekly Benefit amount as follows:

1. Multiply Your Weekly Earnings by the STD Benefit Percentage, shown on the Schedule of Benefits.
2. The maximum STD Weekly Benefit as shown on the Schedule of Benefits.
3. Compare the answers from Item 1 and Item 2. The lesser of these two amounts is Your Gross STD Weekly Benefit.
4. Subtract the Deductible Sources of Income from Your Gross STD Weekly Benefit. The resulting figure is Your Net STD Weekly Benefit.

If a benefit is payable for less than one week, STD Weekly Benefit payments will be made at a daily rate of 1/7th the weekly benefit.

00023-A

If You are receiving any compensation from Your Employer, including, but not limited to:

1. Salary Continuation;
2. sick leave benefits; or
3. vacation pay,

We will not begin STD Weekly Benefit payments until such compensation payments cease.

00024

Can You work and still receive benefits?

While Partially Disabled, You may qualify for the Work Incentive Benefit.

00025

What is the Work Incentive Benefit and how is it calculated?

We will pay a Work Incentive Benefit if You are Partially Disabled and Gainfully Employed after the end of the Elimination Period, or after a period during which You received STD Weekly Benefits.

A Work Incentive Benefit will be payable if You are Disabled and Gainfully Employed after the end of the Elimination Period, or after a period during which You received STD Weekly Benefits.

The Work Incentive Benefit will be calculated while You are Gainfully Employed as follows:

1. We will add together the Gross STD Weekly Benefit and Your Disability Earnings and compare to pre-disability Weekly Earnings.
2. If the total amount in Item 1 exceeds 100% of pre-disability Weekly Earnings, the Work Incentive Benefit will be equal to the Net STD Weekly Benefit reduced by the amount of the excess.
3. If the total amount in Item 1 does not exceed 100% of pre-disability Weekly Earnings, the Work Incentive Benefit will be equal to the Net STD Weekly Benefit amount.

The Work Incentive Benefit will cease on the earliest of the following:

1. the date You are no longer Partially Disabled; or
2. the end of the Maximum Period Payable.

The payment of a Work Incentive Benefit, combined with Your STD Weekly Benefit, will not extend the Maximum Period Payable, as shown on the Schedule of Benefits.

00026

What are the Deductible Sources of Income?

The Gross STD Weekly Benefit under the Policy will be reduced by:

1. Disability benefits paid, payable or for which You are eligible under:
 - a. any state compulsory disability benefit Act or Law.
 - b. any group insurance plan provided by or through the Policyholder.
 - c. any State Teachers Retirement System, Public Employees Retirement System or School Employees Retirement System.
 - d. the Social Security Act, including any amounts for which Your dependents may qualify because of Your Disability.
 - e. the Canada Pension Plan, Quebec Pension Plan, or any other similar disability or pension plan or act.
 - f. the Canada Old Age Security Act.
 - g. any Workers' Compensation or Occupational Disease Act or Law, or any other Law which provides compensation for an occupational Injury or Sickness.

Benefits are not payable under the Policy if You are entitled to participate in Workers' Compensation and choose not to do so.

2. Retirement benefits paid under the Social Security Act including any amounts for which Your dependents may qualify because of Your retirement;
3. Retirement and Disability benefits paid under a Retirement Plan provided by the Policyholder except for amounts attributable to Your contributions;
4. Disability benefits paid under any No Fault Auto Motor Vehicle coverage;
5. Amounts received from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise, not to exceed 50% of the net settlement.

Act or Law means the original enactment of the Law or Act and all amendments.

Proration of Lump Sum Awards

If any Deductible Source of Income described above is paid in a single sum through compromise settlement or as an advance on future liability, We will determine the amount of reduction to Your Gross STD Weekly Benefit as follows:

1. We will divide the amount paid by the number of weeks for which the settlement or advance was provided; or
2. If the number of weeks for which the settlement or advance is made is not known, We will divide the amount of the settlement or advance by the expected remaining number of weeks for which We will provide benefits for Your Disability based on the Proof of Disability which We have, subject to a maximum of 26 weeks.

What other sources of income are not deductible?

We will not reduce Your Gross STD Weekly Benefit under the Policy by any of the following:

1. deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
2. credit disability insurance;
3. pension plans for partners;
4. military pension and Disability income plans;
5. franchise disability income plans;
6. individual disability income plans;
7. a retirement plan from another Employer;
8. profit sharing plans;
9. thrift or savings plans;
10. individual retirement account (IRA);
11. tax sheltered annuity (TSA);

12. stock ownership plan.
00028 KY

What happens if Your Deductible Sources of Income increase?

The Net STD Weekly Benefit will not be further reduced for subsequent cost-of-living increases which are paid, payable, or for which You or Your dependents are eligible under any Deductible Source of Income shown above.
00030

How long will You receive benefits under the Policy?

We will send You a payment for each week of Disability up to the Maximum Period Payable as shown in the Schedule of Benefits. Payment of benefits is also subject to any benefit duration limitation pertaining to Your Disability.
00031

What happens if Your Disability recurs?

If Disability for which benefits were payable ends but recurs due to the same or related causes less than 14 days after the end of a prior Disability, it will be considered a resumption of the prior Disability. Such recurrent Disability shall be subject to the provisions of the Policy that were in effect at the time the prior Disability began.

Disability which recurs more than 14 days after the end of a prior Disability is subject to:

1. a new Elimination Period;
2. a new Maximum Period Payable; and
3. the other provisions of the Policy that are in effect on the date the Disability recurs.

Disability must recur while Your coverage is in force under the Policy.
00032

EXCLUSIONS AND LIMITATIONS

What are the exclusions and limitations under the Policy?

The Policy does not cover any loss or Disability caused by, resulting from, arising out of or substantially contributed to, directly or indirectly, by any one or more of the following:

1. loss of professional license, occupational license or certification.

3. Benefits are not payable for any period during which You are confined to a penal or correctional institution if the period of confinement exceeds 30 days.

00033

TERMINATION OF COVERAGE

When will Your insurance terminate?

Your coverage will terminate on the earliest of the following dates:

1. the date on which the Policy is terminated;

3. the date You:
 - a. are no longer a member of a class eligible for this insurance,
 - b. request termination of coverage under the Policy,
 - c. are retired or pensioned, or
 - d. cease work because of a leave of absence, furlough, layoff, or temporary work stoppage due to a labor dispute, unless We and the Policyholder have agreed in writing in advance of the leave to continue insurance during such period.

Termination will not affect Your claim for a covered loss which began while the coverage was in force.

00034

Will coverage be continued if You are eligible for leave under FMLA?

In the event You are eligible for and the Policyholder approves a leave under the Family and Medical Leave Act of 1993 (FMLA), or any applicable state family and medical leave law (State FML), provided the required premium continues to be paid, Your insurance will continue for a period of up to the later of:

1. the leave period permitted by the federal Family and Medical Leave Act of 1993 and any amendments; or
2. the leave period permitted by applicable state law.

You are eligible for leave under this Act in order to provide care:

1. After the birth of a child; or
2. After the legal adoption of a child; or
3. After the placement of a foster child in Your home; or
4. To a Spouse, child or parent due to their serious illness; or
5. For Your own serious health condition.

While granted a Family or Medical Leave of Absence:

1. The Policyholder must remit the required premium according to the terms of the Policy; and
2. coverage will terminate if You do not return to work as scheduled according to the terms of Your agreement with the Policyholder.

If the Policyholder's Human Resource policy does not provide for continuation of an Employee's Short Term Disability coverage during a family and medical leave of absence, the Employee's coverage will be reinstated when he or she returns to active employment.

We will not:

1. apply a new Eligibility Waiting Period;
2. apply a new Pre-existing Condition exclusion
3. require Evidence of Insurability.

00035

00039

FILING A CLAIM

What are the Claim Filing Requirements?

Initial Notice of Claim

We ask that You notify Us of Your claim as soon as possible, so that We may make a timely decision on Your claim. The Policyholder can assist You with the appropriate telephone number and address of Our Claim Department. You must send Us written notice of Your Disability within 30 days of the Date of Disability, or as soon as reasonably possible. Notice may be sent to Our Claim Department at the address shown on the claim form or given to Our Agent.

Written Proof of Loss

Within 15 days of Our being notified in writing of Your claim, We will supply You with the necessary claim forms. The claim form is to be completed and signed by You, the Policyholder and Your Doctor. If You do not receive the appropriate claim forms within 15 days, then You will be considered to have met the requirements for written proof of loss if We receive written proof, which describes the occurrence, extent and nature of loss as stated in the Proof of Disability provision.

Time Limit for Filing Your Claim

You must furnish Us with written proof of loss within 90 days after the end of Your Elimination Period. The length of the Elimination Period is shown in the Schedule of Benefits. If it is not possible to give Us written proof within 90 days, the claim is not affected if the proof is given as soon as possible. However, unless You are legally incapacitated, written proof of loss must be given no later than 1 year after the time proof is otherwise due.

No benefits are payable for claims submitted more than 1 year after the time proof is due. However, You can request that benefits be paid for late claims if You can show that:

1. It was not reasonably possible to give written proof during the 1 year period, and
2. Proof of loss satisfactory to Us was given as soon as was reasonably possible.

Proof of Disability

The following items, supplied at Your expense, must be a part of Your proof of loss. Failure to provide complete proof of loss may delay, suspend or terminate Your benefits.

1. The date Your Disability began;
2. The cause of Your Disability;
3. The prognosis of Your Disability;
4. Proof that You are receiving Appropriate and Regular Care for Your condition from a Doctor, who is someone other than You or a member of Your immediate family, whose specialty or expertise is the most appropriate for Your disabling condition(s) according to Generally Accepted Medical Practice.
5. Objective medical findings which support Your Disability. Objective medical findings include but are not limited to tests, procedures, or clinical examinations standardly accepted in the practice of medicine, for Your disabling condition(s).
6. The extent of Your Disability, including restrictions and limitations which are preventing You from performing Your Regular Occupation.
7. Appropriate documentation of Your Weekly Earnings.
8. If You were contributing to the premium cost, the Policyholder must supply proof of Your appropriate payroll deductions.
9. The name and address of any Hospital or health care facility where You have been treated for Your Disability.
10. If applicable, proof of incurred costs covered under other benefit provisions in the Policy.

Continuing Proof of Disability

You may be asked to submit proof that You continue to be Disabled and are continuing to receive Appropriate and Regular Care of a Doctor. Requests of this nature will only be made as often as reasonably necessary. If required, this will be at Your expense and must be received within 45 days of Our request. Failure to comply with such a request may delay, suspend or terminate Your benefits.

Examination

At Our expense, We have the right to have You examined as often as reasonably necessary while the claim continues. Failure to comply with this examination may result in denial, suspension or termination of benefits, unless We agree You have a valid and acceptable reason for not complying.

Authorization and Documentation You will be asked to supply

1. You will be required to provide signed authorization for Us to obtain and release all reasonably necessary medical, financial or other non-medical information in support of Your Disability claim. Failure to submit this information may deny, suspend or terminate Your benefits.
2. You will be required to supply proof that You have applied for other Deductible Sources of Income such as Workers' Compensation or Social Security Disability benefits, when applicable.
3. You will be required to notify Us when You receive or are awarded other Deductible Sources of Income. You must tell Us the nature of the Deductible Source of Income, the amount received, the period to which the benefit applies, and the duration of the benefit if it is being paid in installments.

00040

Time of Payment of Claim

As soon as We have all necessary substantiating documentation for Your Disability claim, We will pay Your benefit at least as frequently as once every two weeks, as long as You continue to qualify for it.

We will pay benefits to You unless otherwise indicated. If You die while Your claim is open, any due and unpaid Disability benefit will be paid, at Our option, to the surviving person or persons in the first of the following classes of successive preference beneficiaries: Your: 1) Spouse; 2) children including legally adopted children; 3) parents; or 4) Your estate.

If any benefit is payable to an estate, a minor or a person not competent to give a valid release, We may pay up to \$1,000 to any relative or beneficiary of Yours whom We deem to be entitled to this amount. We will be discharged to the extent of such payment made by Us in good faith.

Can You assign Your benefits?

Your benefits are not assignable, which means that You may not transfer Your benefits to anyone else.

What will happen if a claim is overpaid?

A claim overpayment can occur when You receive a retroactive payment from a Deductible Source of Income, when We inadvertently make an error in the calculation of Your claim; or if fraud occurs. The overpayment amount equals the amount We paid in excess of the amount We should have paid under the Policy.

We have the right to recover from You any amount that is an overpayment of benefits under the Policy. You must refund to Us the overpaid amount. We may also, without forfeiting Our right to collect an overpayment through any means legally available to Us, recover all or any portion of an overpayment by reducing or withholding future benefit payments, including the Minimum Weekly Benefit.

In an overpayment situation, We will determine the method by which the repayment is made. You will be required to sign an agreement with Us which details the source of the overpayment, the total amount We will recover and the method of recovery. If STD Weekly Benefits are suspended while recovery of the overpayment is being made, suspension will also apply to the minimum STD Weekly Benefits payable under the Policy.

00041

Subrogation - Right of Reimbursement

When any claim payment is made, We reserve any and all rights to subrogation and/or reimbursement to the fullest extent allowed by statute and customary practice. Any party to this contract shall not perform any act that will prejudice such rights without prior agreement with Us. We will bear any expenses associated with Our pursuit of subrogation or recovery.

00042

UNIFORM PROVISIONS

Entire Contract; Changes

The Policy, the Policyholder's Application, the Employee's certificate of coverage, and Your application, if any, and any other attached papers, form the entire contract between the parties. Coverage under the Policy can be amended by mutual consent between the Policyholder and Us. No change in the Policy is valid unless approved in writing by one of Our officers. No agent has the right to change the Policy or to waive any of its provisions.

Statements on the Application

In the absence of fraud, all statements made in any signed application are considered representations and not warranties (absolute guarantees). No representation by:

1. the Policyholder in applying for the Policy will make it void unless the representation is contained in the signed Application; or
2. any Employee in applying for insurance under the Policy will be used to reduce or deny a claim unless a copy of the application for insurance, signed by the Employee, is or has been given to the Employee.

Legal Actions

Unless otherwise provided by federal law, no legal action of any kind may be filed against Us:

1. until 60 days after proof of claim has been given; or
2. more than 3 years after proof of Disability must be filed, unless the law in the state where You live allows a longer period of time.

Clerical Error

Clerical error or omission by Us to the Policyholder will not:

1. Prevent You from receiving coverage, if You are entitled to coverage under the terms of the Policy; or
2. Cause coverage to begin or coverage to continue for You when the coverage would not otherwise be effective.

If the Policyholder gives Us information about You that is incorrect, We will:

1. Use the facts to decide whether You have coverage under the Policy and in what amounts; and
2. Make a fair adjustment of the premium.

Misstatement of Age

If Your age has been misstated, an equitable adjustment will be made in the premium.

Note: A refund of premium will not be made for a period more than twelve months before the date the Company is advised of the error.

Incontestability

The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person's lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement.

Conformity with State Statutes and Regulations

If any provision of the Policy conflicts with the statutes and regulations of the state in which the Policy was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.

Workers' Compensation or State Disability Insurance

The Policy is not in place of, and does not affect the requirements for coverage by any workers' compensation or state disability insurance.
